

AAPG/Datapages Combined Publications Database

1. all AAPG publications from 1917 through present
 - AAPG Bulletin (**ISSN: 1049-1423**)
 - Environmental Geosciences (**ISSN: 1075-9565**)
 - AAPG Special Publications (230+ volumes) (**ISBN: 0-08191-???-?**)
2. Journal of Sedimentary Research (SEPM), 1931 through present (**ISSN: 1527-1404**)
3. SEPM Special Publications and Memoirs
4. Journal of Petroleum Geology, 1978 through 2005 (**ISSN: 0141-6421**)
5. The Society of Organic Petrology (TSOP expanded abstracts collection)

Gulf Coast USA Group

6. GCAGS (Gulf Coast USA) Transactions 1951 through present (annual)
7. New Orleans Geological Society (NOGS)
8. East Texas Geological Society (ETGS)
9. Lafayette Geological Society (LGS)
10. Houston Geological Society (HGS) (**ISSN: 018-6686**)
11. Houston Geological Society Special Publications

Midcontinent & Southwest USA Group

12. Tulsa Geological Society (TGS)
13. Oklahoma City Geological Society (OCGS)
14. Panhandle (Amarillo) Geological Society (PGS)
15. Ardmore (OK) Geological Society (AGS)
16. Kansas Geological Society (KGS)
17. Fort Worth Geological Society (FWGS)
18. Dallas Geological Society (DGS)*
19. Abilene Geological Society (AGS)

Canadian Group

20. Canadian Society of Petroleum Geologists Bulletin (CSPG) (**ISSN: 0007-4802**)
21. CSPG Memoirs collection*
22. CSPG Special Volumes collection*

Rocky Mountain Group

23. Wyoming Geological Association (WGA)
24. North Dakota Geological Society (NDGS)
25. Saskatchewan Geological Society (SGS)*
26. Montana Geological Society (MGS)*
27. Williston Basin Symposia Joint Pubs
28. Rocky Mountain Assoc. Geologists (RMAG)*
29. Utah Geological Association (UGS)*
30. Four Corners Geological Society (FCGS)*

International Group

31. Indonesian Petroleum Association (IPA)
32. Circum Pacific Council of Energy and Mineral Resources *
33. Geological Society of Trinidad and Tobago
34. Petroleum Geology (pub. in USA. English abstracts of Russian articles)**
(ISSN: none listed) pub. since 1958.

“Other” Group

35. Ohio Geological Society (OGS)
36. Pacific Section of AAPG (AAPG-PS)
37. Pacific Section of SEPM (SEPG-PS)*
38. Alabama Geological Society (AGS)*

* asterisk denotes collection *“in process” as of August 2009.*

** *Petroleum Geology is “in negotiation with the estate of the publisher.” Tentative.*
