

Welcome

Discovery Thinking Forum, AAPG/DPA

Chairs: Charles A. Sternbach and Ed Dolly

Fourth event of the AAPG 100th Anniversary

Committee continuing program:

“100 who made a difference”

This year's program focuses on insights derived from hard won experience in 1) play opening Gulf Coast discoveries and 2) discovery thinking behind the hottest international plays.

Today's Speakers:

- 1:20 James Cearley** “Jack and other discoveries open the lower Tertiary Trend in the Gulf of Mexico”
- 2:00 Susan Cunningham** “Tamar - the opening of a frontier basin in the Eastern Mediterranean”.
(OFFSHORE ISRAEL)
- 2:40 Stuart Burley** “Hidden beneath desert sands - the discovery of the Barmer Basin in Rajasthan and its giant oil fields” (INDIA)
- 3:20 Break**

Today's Speakers:

3:40 Greg Jewell **Exploration of the Transform Margin of West Africa: Discovery Thinking--Jubilee and Beyond**

4:20 Carol Law **Northern Mozambique True Wildcat Exploration in East Africa**

**Note: Following this session in this room at 5:10 to 6:00 PM
David Lawrence (Halbouty Lecture) "The Next Era of Exploration"**
