Welcome

• Inaugural Playmaker Program, a wildcat!
• My dad played tennis Far Rockaway HS
• His Advice: seek the best players to help you improve your game.
• Instead of tennis, I went into the oil business. To improve my game, I want to learn from oil finders.
• Fortunately AAPG and DPA has some of the best oil finders in the business. Many are here today!
Thanks

• Thanks for attending from all over US
• Speakers for sharing
• Sponsors for financial support that will go for DPA education programs and GEO-DC
• Recognize Past DPA Presidents, “Home team HGS”, President Martin Cassidy
• Thanks to Susan Nash, Norma Newby, Amy Mahan AAPG HQ and Linda Sternbach (fellow DPA member!)
• Special thanks to David Curtiss AAPG Executive Director

Timing and Perseverance

• “Life is all about timing... the unreachable becomes reachable, the unavailable become available, the unattainable... attainable”.

• George Mitchell and Dan Steward have told us that the Barnett Shale was an “Overnight success 20 years in the making”
These are remarkable times

- We all remember the bumper stickers: “PLEASE GOD, Just Give Me One More Oil Boom. I Promise Not to Blow It Next Time”
- “We are in a golden age” Paul Basinski (HGS lunch talk Jan 30th, Petroleum Club)
- Geologists play a key role in “Perfecting the Search and Delivering on Promises”
Energy Patriots

- Those of us here today striving for domestic energy independence
- With the right set of national energy policies, the United States could be "completely energy independent by the end of the decade. We can be the Saudi Arabia of oil and natural gas in the 21st century." Forbes
- That’s a pretty bold statement. Fortunately our upcoming speakers are pretty bold folks!
- John McNabb, please introduce Mr. Hamm
